RE: Condolences on the passing of Mrs. Stefanie Häberli

Dear Dr. Cameron,

It was with great sadness that we learned of the passing of Mrs. Stefanie Häberli.

On behalf of World Aquatics, and personally, we would like to extend our deepest condolences to Swiss Aquatics, as well as to Mrs. Häberli's family and friends during this difficult time.

Mrs. Häberli's contribution to artistic swimming was truly exceptional and her impact on the development of the sport, both in Switzerland and internationally, will remain profound and lasting. Through her decades of dedication, leadership and vision, she helped shape artistic swimming into the discipline we know today and inspired generations within the aquatics community.

Her commitment to World Aquatics, her tireless work within the Technical Committee for Synchronised Swimming, and her leadership as Chairman from 1992 to 2005 leave behind an extraordinary legacy that will not be forgotten.

The entire World Aquatics family joins Swiss Aquatics in mourning the loss of a remarkable woman and respected leader of our sport.

Respectfully yours,

Husain Al Musallam
President
